

# CHAMPIX (PGD) TRAINING INVITATION WEBINAR

Date: Wednesday 21<sup>st</sup> October  
Time: 6:45pm – 9:15pm  
Audience: Pharmacists  
Trainer: Darush Attar

## Prior Course Learning

- Champix pre-reading folder (DoH Guidance 2014/2015, other supporting documents)
- Read the NCSCCT online medication section [http://elearning.ncsct.co.uk/stop\\_smoking\\_medications-stage\\_1](http://elearning.ncsct.co.uk/stop_smoking_medications-stage_1)

## Course Content

The Varenicline (Champix) PGD training will equip Pharmacists with the knowledge and skills on its use and where it fits in the local stop smoking treatment programme. This pharmacotherapy session will ensure participants will feel confident to supply Champix under the PGD and all the governance related to it.

The items covered include:

- 1) The PGD documents and supporting documents
- 2) Varenicline use and confidence around counselling
- 3) Payment processes
- 4) Any other relevant information
